CAREER OBJECTIVE

Motivated BCA graduate seeking an entry-level opportunity in the IT industry to apply my technical knowledge in Java, SQL, HTML, CSS, JavaScript, and React. Eager to learn new technologies, improve my problem-solving skills, and contribute to the growth of the organization while developing my professional skills.

TECHNICAL SKILLS

Web Development: HTML5, CSS3, JavaScript, Bootstrap
Programming: Java, C++, Python
Tools: Git, GitHub, VS Code
Frontend Concepts: DOM Manipulation, Event Handling, Form Validation, Responsive Web Design, Local Storage

PROJECTS

Weatherly – Weather Website HTML5 | CSS3 | Bootstrap | JavaScript

- Developed a responsive weather website using HTML, CSS, JavaScript, and Bootstrap.
- Implemented interactive city selection for multiple Indian cities. Added an interactive favorites feature using DOM manipulation and event listeners, allowing users to add/remove properties with visual heart-state changes and alerts.
- - Designed a user-friendly interface to display weather information.
- - Added responsive layouts and JavaScript event handling.

BiteBox — Online Food Delivery Website HTML5 | CSS3 | JavaScript

- Developed a multi-page food delivery website with dedicated interfaces for home, menu, cart, deals, login and signup.
- Organized the frontend using separate HTML, CSS, JavaScript, image and media resources to create a structured web application.
- Implemented interactive UI elements with JavaScript to improve the browsing and food-ordering experience.

ChaloChale — Travel Website HTML5 | CSS3 | JavaScript | Bootstrap

- Developed a responsive multi-page travel website with sections for destinations, packages, booking, contact, login and signup.
- Used Bootstrap components and responsive layouts to build a consistent interface across different pages and screen sizes.
- Integrated JavaScript interactions into the travel website to enhance user engagement and usability.

EDUCATION

Bachelor of Computer applications (savitribai phule university) 2023 – 2026
University, Pune
Higher Secondary Certificate (12th) 2020 – 2022
Trinity jr. college
Secondary School Certificate (10th) 2018 -2019

.

CERTIFICATIONS

- Git and GitHub — IT Vedant — July 2026
